

DIARY

CFS username: hcn6

Last name: Happiness

First name: Nwosu

Meeting date:

Date: 02-01-2020

Revised plan from previous meeting:

Pushed updated interim report with changes and updates to include corrections from supervisor.

Pushed backend and frontend code for work done so far.

Added ERD and architecture diagram for application.

Work plan until next meeting: (for the next two weeks)

- complete and submit Dissertation draft
- work on frontend for user to see generated itinerary, and be able to share the itinerary

Comments from supervisor (optional – filled by the student after meeting)
